Great thank you. Whatever is best for him. Just wanted him to have the opportunity to address the board. See you all soon.

Dear Noah and Blair,

I hope this email finds you well. My name is Phillip Iacono and I am the newest member of Controller Ron Galperin's Community Affairs and Engagement team. I work with Dora Nuñez.

The Controller would like to send apologies as we regrettably have to decline his attendance to the Board Meeting tomorrow at Historic Core BID of Downtown Los Angeles. We tried to arrange the timing, but it simply could not work with his schedule. We truly appreciate the invitation and wish you a lovely event.

However, Dora will be in touch to discuss the possibility of him speaking with you guys in September or October.

If you have any questions or need further information please feel free to contact me.

Best Regards,
